

Panel-Ready Built-In Design - Create a custom kitchen with a true flush installation designed to provide a custom, seamless look

Digital Control Display - Easy-to-use LED display allows you to quickly change temperatures for the refrigerator, crisper drawer, and freezer and navigate menu options to change the refrigerator to vacation, sabbath, or eco modes and the freezer to quick freeze mode

Soft Shut Technology - Smooth-closing refrigerator doors and drawers seamlessly open and close ensuring heavily used fridge components are enjoyed for years to come

Crisper Drawer - Proprietary crisper drawer features an adjustable temperature zone that allows fruits and vegetables to retain freshness longer

Dual Cooling System - Separate refrigerator and freezer cooling systems ensures air and odors are not mixed between compartments and provide more efficient cooling

Internal Water Dispenser and Ice Maker - Delivers fresh, filtered water discreetly within the refrigerator and up to 4 lbs of ice per day with an automatic ice maker in the freezer

Custom Options - Stainless Steel, Black Stainless, DuraSnow® Stainless Steel, and Autograph Edition bundles are available
